

Manlius Pebble Hill School Presents

CPR/AED Certification

for Teens and Adults

Date: Tuesday, January 31

Time: 5:30-7:30 p.m.

Fee: \$35

Course Instructor: David Shalala, Public Education Coordinator
American Medical Response

Performing Cardiopulmonary Resuscitation (CPR) on a cardiac arrest victim can help buy time and prevent permanent brain damage. Learn CPR on adults, children and infants. Getting certified in CPR & Automated External Defibrillator (AED) is the first step to saving a life in the event of an emergency.

To register, go to our online registration site through www.mph.net/communityprograms or return the form below with payment to MPH Community Programs. **HURRY - space is limited – register now!**
