

A TRADITION OF Giving...

ANNUAL REPORT OF DONORS

Recognition of and appreciation for those who made a gift to support the students of Manlius Pebble Hill School between July 1, 2016 - June 30, 2017

A message from the Director of Development:

Every name listed in the following pages represents a donor who has chosen to make an impact on our School and our students with a gift to MPH this past year. We could not be more appreciative! Everyone has a personal motivation for making a gift, and the effect of these gifts can be seen and felt throughout every corner of our campus.

MPH Rising, our re-named Annual Fund, was launched in the fall of 2016, and it identified five areas of institutional priority for funding: faculty compensation and professional development; increased scholarship and financial aid budgets; programmatic investments; capital improvements; and our unrestricted fund. Since its launch, we have been humbled by the generosity of so many, including several who have chosen to join our new Adscensio Society by committing their support over the next three years. This support over time greatly assists us in our ability to make multi-year investments in all areas of MPH Rising. Additionally, many of you have chosen to support our named endowed funds which provide funding for our current students and programs. Gifts to an endowed fund or the general endowment serve as an

important investment in a sustainable future for MPH. These visible, tangible investments demonstrate the confidence our community has in our program and the value of that program represents in the lives of our students.

Whether you chose to honor a former faculty member in recognition of a class reunion (as the Class of 1967 did for Col. & Mrs. Morse in June), made a gift to create a new endowed fund, supported an existing fund, or added MPH to your estate plans, I hope you do understand how your gift, whether \$100 or \$100,000, truly changes lives. Like any small institution, MPH feels the impact of each and every gift, and your support is important to continue year after year.

On behalf of the students, faculty, and staff who spend our days working and learning on this campus, I thank you!

Sincerely,

Kelly Gillis-Rose
Director of Development

THE MANLIUS PEBBLE HILL

Endowment and Investment Fund

MPH's Endowment and Investment "Fund" refers to the investment accounts comprising the MPH Investment Portfolio. This includes the Restricted General Endowment Fund, the Donor Restricted Endowment Fund, and the Unrestricted General Institutional Fund.

The endowment in total allows the School to enhance its programs, retain student socio-economic diversity through scholarships, expand professional development opportunities for faculty, and improve its physical plant. The School's Board of Trustees oversee the investment of endowment monies and any and all withdrawals from those funds.

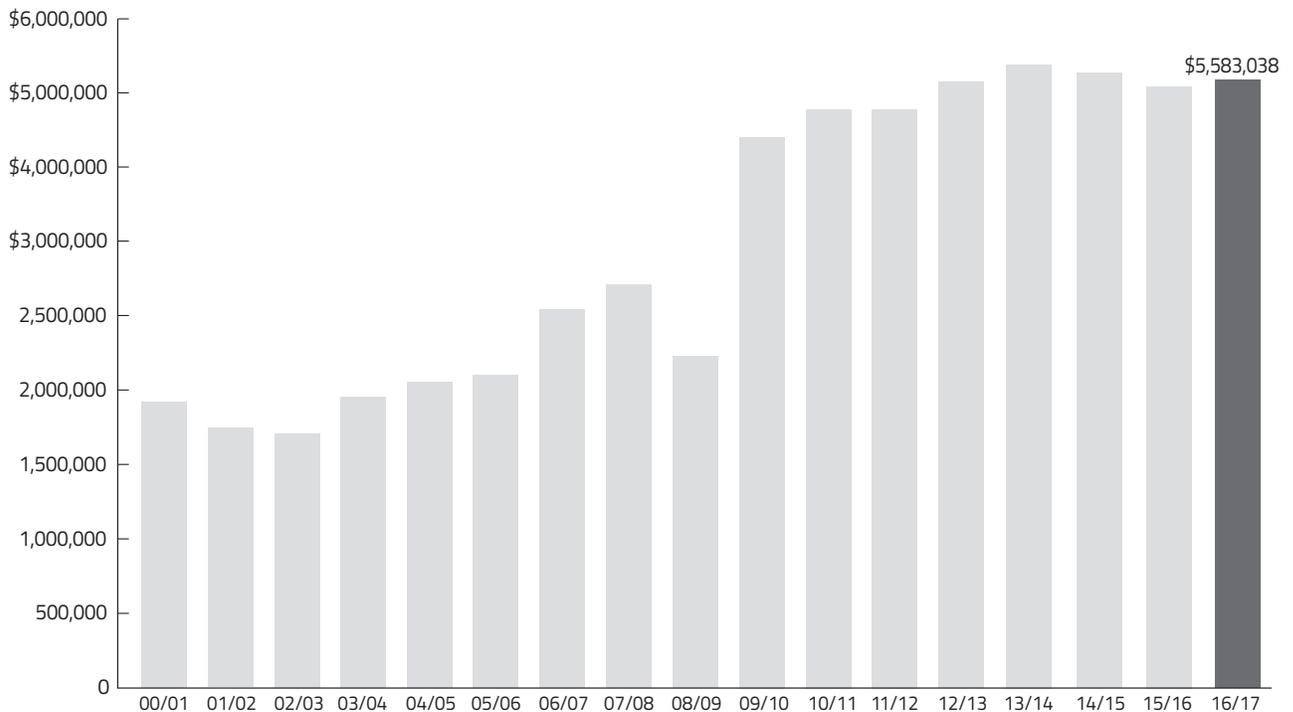

At present, this fund is small by private school standards, which suggest a fund at least three times a school's operating budget – for MPH that would be almost \$27 million. It is the growth of this fund that will protect the School in the event of an unforeseen catastrophic event or emergency situation, and what will ensure that the School continues as a vital educational institution for future generations of students.

Within the Donor Restricted Endowment Fund, there are numerous individual funds and scholarships, which are listed below in alphabetical order. Some of these funds were initiated in the 1970s and 1980s upon the retirement or passing of former faculty members, alumni, or friends. In some cases, we are unable to ascertain from old records the exact amount of the gifts made to establish a particular fund.

A brief description of each of the named funds follows, along with the total amount of accumulated capital for each. We have also listed any donors that made gifts to support a specific endowment fund in the 2016-2017 year.

A minimum of \$50,000 is required to start a new permanent named endowment fund. For information about funding a Donor Restricted Endowment Fund or scholarship, or if you would like information on other ways to support the endowment, please contact Kelly Gillis-Rose, Director of Development, at 315-446-2452, ext. 112.
