

We are so pleased you have decided to apply to Manlius Pebble Hill School. Our highly personalized admissions process helps us learn more about your child, assess his or her readiness for our program, and determine if the MPH environment is a good match for your child at this stage in his or her development. To get started, please follow these steps:

- Submit an application** by visiting mphschool.org/Admissions and clicking on the blue “Apply Now” tab on the right side of the screen. A \$60 application fee is due at the time of submission.
- Sign the top of the enclosed Records Release Form** and give it to the main office at your child’s school. Records should be sent directly to the MPH Admissions Office.
- Sign the top of the enclosed Teacher Assessment** and give it to your child’s current instructor. Forms should be returned directly to the MPH Admissions Office.
- To be considered for financial aid through the Flexible Tuition Program, **complete the School and Student Services (SSS) Parents’ Financial Statement** at <http://solutionsbysss.com/parents>. A fee is charged by School & Student Services at the time of submission. Fee waivers for eligible families are available through SSS.
- Arrange for your child’s classroom visit** and grade-level assessment. The Office of Admissions will contact you to schedule your child’s visit once the necessary application items have been received.

Completed applications are reviewed at the end of each month, beginning in November and continuing until all available spaces have been reserved. Because spaces can be limited, we advise submitting your child’s application items as early as possible for the best chance of securing a space in the fall class. Admissions offers are sent via standard mail, along with instructions to help you reserve your child’s space for the following school year.
