

**Manlius Pebble Hill Lower School
Parent/Special Guest Lunches
2018 – 2019**

Dear Lower School Families,

In the spirit of fostering a positive school community and culture, we are delighted to offer each Lower School student the opportunity to invite a guest to join him or her at MPH for lunch on certain days during the upcoming school year. Students may want to invite a parent, a special relative, or a family friend to join them for lunch at the times and dates indicated below.

We ask that each child invite only **one guest** per lunch date. Teachers will encourage students to act as hosts and hostesses and to introduce their special guest to their friends and faculty. Guests are invited to join their student in the dining hall and to share the school lunch at the child's assigned table. Students will lead guests through the dining hall routine to select their lunch from the options provided.

Please note: Guests must sign in at the Reception Desk and obtain a visitor's badge before going to the dining hall for lunch. They must also sign out upon leaving the school.

We look forward to meeting all our special guests and having the opportunity to share lunch with family and friends over the course of the 2018 – 2019 school year.

Sincerely,

Kendall Hoekstra
Head of Lower and Middle School
