

Manlius Pebble Hill School Presents

CPR Basic Life Support and/or First Aid Certification

for Teens and Adults

Date: Thursday, May 16

Time: CPR 5:30-7:00 p.m. and First Aid 7:00-8:00 p.m.

Fee: CPR \$35 and First Aid \$15

Course Instructor: David Shalala, Public Education Coordinator
American Medical Response

Performing Cardiopulmonary Resuscitation (CPR) on a cardiac arrest victim can help buy time and prevent permanent brain damage. Learn how to perform CPR and other basic cardiovascular life support skills.

Learn duties and responsibilities of first aid rescuers; first aid actions for medical emergencies, including severe choking, heart attack, and stroke; and skills for handling injury and environmental emergencies, including external bleeding, broken bones and sprains, and bites and stings.
