Manlius Pebble Hill Lower School Parent/Special Guest Lunches February 2020

Dear Lower School Families,

In the spirit of fostering a positive school community and culture, we are delighted to offer each Lower School student the opportunity to invite a guest to join him or her at MPH for lunch during the upcoming school year. Students may want to invite parents, a special relative, or a family friend to join them for lunch at the time and date indicated below.

We ask that each child invite only **one or two guests**. Teachers will encourage students to act as hosts and hostesses and to introduce their special guest to their friends and faculty. Guests are invited to join their student in the dining hall and to share the school lunch at the child's assigned table. Students will lead guests through the dining hall routine to select their lunch from the options provided.

Please note: All guests must sign in at the Reception Desk and obtain a visitor's badge before going to the dining hall for lunch. They must also sign out upon leaving the school.

We look forward to the opportunity to share lunch with family and friends this February!

Sincerely,
Amy Terpening Abdo
Interim Head of Lower School

Grade	Date	Time	Location
