

Wildflowers of the Week at Manlius Pebble Hill

Join Mrs. Yeager as she finds and shares spring wildflowers each week. You can use the checklist below to help keep track of the wildflowers you've found! You can copy this file to your drive or print out a copy to keep at home. Check back to the document each week to see the new additions.

Flower Image	Common Name	Scientific Name	I found it! (Put a check mark or notes here. Don't forget to include the date!)
	Coltsfoot	<i>Tussilago farfara</i>	
	Skunk Cabbage	<i>Symplocarpus foetidus</i>	
	Common Violet	<i>Viola sororia</i>	
	Periwinkle	<i>Vinca minor</i>	

	<p>Cutleaf Toothwort</p>	<p><i>Cardamine concatenata</i></p> <p>(formerly <i>Dentaria laciniata</i>)</p>	
	<p>Bloodroot</p>	<p><i>Sanguinaria canadensis</i></p>	
	<p>Purple Dead Nettle</p>	<p><i>Lamium purpureum</i></p>
