

Hello tenth graders!

To prepare for the first quarter work in both World Literature and World History, we are asking you to read and annotate *The Moor's Account*, a work of historical fiction by Laila Lalami, by September 13th. Please take a close look at the sample annotation to get an idea of how you can interact with the text. While the sample page has several annotations, you are being asked to make, on average, **three annotations per chapter**.

We are looking forward to working together with all of you, and deepening our own understanding of world literature and history through the unique experiences that you students will bring to our classes. Have a wonderful summer and happy reading!

Sincerely,

Ms. Sarah Chablani (World History)

Ms. Amy Doyle (World Literature)
