

To keep your voice in shape over the summer, there are exercises and vocalizes available on youtube, some books, and summer opportunities to take advantage of.

Vocalizes:

[“Aquecimento Vocal”](#) playlist on youtube has basic vocal warmups to sing through.

[Vaccai’s Practical Method of Italian Singing](#)

(Be sure to order the correct voice type, High, Med, or low voice)

[Twenty-Four Italian Songs and Arias of the Seventeenth Centuries](#)

(Be sure to order the correct voice type, High, Med, or low voice)

[Melodia - A course in Singing Singing Solfeggio](#) (Book One)

All-county and NYSSMA grades 7-12:

All-County auditions for students in grades 7-12 will be in the fall. Students interested in auditioning can polish or begin a new NYSSMA solo and practice the two-octave scales in the back of the green and red Sound Innovations series. Please reach out if you need a solo recommendation.

Summer Opportunities:
