

Lower School Amazon Wish Lists

As we head into the 2023-2024 school year, we ask that you are mindful of our Lower School Gift Policy. Please know that gifts are never expected. Our favorite gifts are the plentiful smiles from your children! While we greatly appreciate the generosity of our community, we request that any gestures of thanks are focused on the **Lower School Amazon Classroom Wish List**. Lower School faculty devised this idea in an effort to streamline possible giving. The links below are to specific grade level gift lists:
