The art of leadership

Leadership doesn't just happen—it is taught, nurtured, and practiced. At MPH, we are committed to developing each child's unique potential to become a leader the world needs.

This year's MPH Spring Gala celebrates the many ways leadership is cultivated and expressed at MPH. Proceeds from the event support professional development that empowers our educators, opportunities that prepare students to guide, collaborate, and inspire, and the Emerging Leaders Scholarship Fund, which expands access and opportunity for promising students to attend MPH.

By joining us for this special evening, you help shape the art and the future of leadership at MPH, inspiring the next generation of thinkers, innovators, and changemakers.
