The Art of Leadership

Dear Friend,

At Manlius Pebble Hill School, education is more than academics—it's an art form. Through curiosity, creativity, and compassion, we nurture the next generation of thinkers, innovators, and leaders who will shape the future with purpose and imagination.

This year's MPH Spring Gala celebrates the many ways leadership is cultivated and expressed at MPH. Proceeds from the event support professional development that empowers our educators, opportunities that prepare students to guide, collaborate, and inspire, and the Emerging Leaders Scholarship Fund, which expands access and opportunity for promising students to attend MPH.

Your generosity sustains the experiences that shape confident, compassionate changemakers. Whether through an item, gift card, overnight stay, or unique experience, your support helps ensure that the art of leadership continues to thrive in our classrooms and throughout Central New York.

If you would like to contribute or have any questions, please contact Shelbi Pisciarino at spisciarino@mphschool.org or 315.446.2452 ext. 216.

With gratitude,
